COLUMBIA GRAFONOLA
FOR CHRISTMAS

All the music of the world is at your command whenever you please or your friends suggest it if you own a Grafonola.

It introduces you to a world of musical enjoyment to which you can gain access in no other way. Literally true, that statement goes less than half far enough. For only by a full appreciation of the recent developments of the art of sound recording and tone projection, and the recent perfecting of mechanical methods and laboratory processes, can you realize how "the one incomparable musical instrument" has now come into its own. To condense

this message to you into three words, "Hearing is believing" and this is what we invite you to do.

We have just taken the exclusive sale for Barre and vicinity, after considerable investigation to feel sure that we were getting the best, of the Grafonola the "Favorite" at \$50, and the "Nonpareil" at \$150.

We shall hold Grafonola recitals afternoons and evenings this week and invite you to come and hear this wonderful instrument.
